About me.....

I am a versatile mobility, vehicle, and product designer. My approach combines creativity, functionality, and aesthetics, resulting in impactful and meaningful design solutions that address diverse user needs.

Design Skills

Ideation	Creative thinking
User Research	Prototyping
Digital Rendering	Brainstorming
Contextual Inquiry	3D Modelling
Wireframing	Ui / Ux
Interface Design	

Design Tools

Autodesk Alias	Blender
Photoshop	Figma
Procreate	Illustrator
Coral Draw	Premier Pro
Sketchup	Lumion
Rhino	Autocad
After effects	Shapr3D

Achievements

2023 -Hero CoLabs Design Challenge

2018 - Annual Nasa Design Competition
 - Reubens Trophy
 - Unknown Crafts Person
 - Prof.S.A Deshpande studio design

2017 - Annual NASA Design Competition

Work Experience

- **AUTOLOGUE DESIGN** | [Pune, Maharashtra](#)
 Automobile design Intern - May 2023 - July 2023
 As an Automobile design Intern, my contribution was to ideate concepts, refined aesthetics, and gained practical insights through hands-on prototype development.
- **LET'S BUILD ARCHITECTS** | [Nagpur, Maharashtra](#)
 Jr. Architect - Jan 2021 - March 2022
 As a Jr. Architect, I aided design, envisioned development, coordinated finances at client meetings, and ensured that construction followed the planned deadlines.
- **SANJEEV GUPTA ARCHITECTS** | [Udaipur, Rajasthan](#)
 Architectural Intern- Jan 2020 - June 2020
 As an Architectural Intern I've gained practical experience, assisted in designing process, research, and site visits to support project development.

Key Projects

- **KTM- RC and Adventure390** | [KTM Facelift project](#)
 Internship Project under Autologue Design Studio, Pune Maharashtra (1 month)
- **INGO- e-scooter project** | [Body styling and prototyping](#)
 Internship Project under Autologue Design Studio, Pune Maharashtra (1 month)
- **VIVACITY- Metropolitan EV Car** | [Redesigning Honda Brio 2.0](#)
 Academic Project under Prof. Nishant Sharma, IDC School of Design (1 month)
- **BLOSSOMBOT- Autonomous Vehicle** | [Mobility System design](#)
 Academic Project under Prof. Sugandh Malhotra, IDC School of Design (2 month)
- **EVA- Motorcycle project** | [Adventure touring motorcycle](#)
 Academic Project under Prof. Sugandh Malhotra, IDC School of Design (Ongoing)
- **Shakti Mahila Sanstha** | [Service design](#)
 Academic Project under Prof. Pramod Khambete, IDC School of Design (3 weeks)
- **Instrument Cluster Design** | [Interaction design](#)
 Academic Project under Prof. Swati Pal, IDC School of Design (2 weeks)
